No expense spared! Stunningly updated ground level home on three lots, spanning street-to-street in Key Largo's Pirate's Cove neighborhood with community boat ramp, clubhouse and bayfront beach. This spacious concrete 3/2 home with metal roof is high and dry in the most desirable X-flood zone, and it also has insulated Anderson impact windows for safety and energy efficiency. Outside is mature, lush landscaping (including mango, soursop, lime and key lime trees) that wraps the home in shady gardens and transports you into your own private oasis with built-in grill, shelter and fire pit. Inside, the new gourmet kitchen is flanked by a pair of matching Miele refrigerators and features a custom black granite island with a professional grade Wolf gas range, double ovens, drawer microwave and hammered copper hood. The custom wood cabinets are rough sawn imported black walnut and accented by a deep hammered copper farm sink. The interior craftsmanship and attention to detail can be seen throughout the home, from the rough sawn imported black walnut doors, door casings, baseboards and window trim to the custom closet doors, copper bathroom sink basins, TOTO toilets, and custom lighting and fixtures. There's also a bonus mini-split in the primary bedroom and built in bookshelves in the second bedroom.
